#### Public transport

There is a reasonable bus service between Nice Airport and Antibes.

On arrival at Nice airport, turn left out of the arrivals lounge, exit the building on the far left end, and buy your ticket in the office, first door on your left. They will tell you which queue the Antibes bus is leaving from. This is the cheapest form of transport from the airport. The driver will tell you when you arrive in Antibes if you ask him to. The bus is a few euros, and runs until about 9pm

A taxi could cost as much as 60 euros for the same trip!!
